

Juvenile Justice Ministry (JJM) Chapel Tech Assistant

Job Description:

Chapel tech assistants will assist in any set up of the sound equipment for chapel service. They will also have a working knowledge of the AV equipment provided by the facility.

Purpose of Role:

Chapel Tech Assistants will help with any AV needs for the Wednesday Chapel Service as predetermined by the JJM Chapel Director. They will also connect with the youth who help with sound. They can network with our guests and volunteers before and at the end of the Wednesday chapel service. They will also give any prayer requests received from the youth to the chapel prayer coordinator

Pre-requisites:

1. A passion for the mission of JJM; to reach every incarcerated youth in North East Ohio and provide a Christ-centered, one on one relationship to each youth
2. Prior point of entry attendance (i.e. JJM See the Story Tour)
3. Excellent ability to communicate well.
4. Technical Aptitude is desired but not required.
5. Availability on Wednesday evenings from 5:50– 8:30 pm

Roles and Responsibilities:

1. Will arrive early to the correctional facility in order to help set up sound and help with any other requirements for chapel service
2. Coordinates all prayer requests directly to the chapel prayer coordinator
3. Connect with the volunteers and the youth before or after chapel service

Length of Service:

The chapel tech assistant will provide services for a pre-determined time period individually determined by JJM needs and volunteer's availability. The chapel tech assistant have the option to complete one term, renew another term, or to help other ways.
